File 3 Destination : Vancouver

Winter in Vancouver, p.40

Only a few cities in the world have mountains, oceans, and rainforests¹ all on their doorstep², and Vancouver is one of them. Thanks to the close proximity to the Pacific Ocean and coastal mountains, winters in Vancouver are mild³.

What months does it snow in Vancouver?

In Vancouver, it snows from December to early March.

How much does it snow in Vancouver?

Vancouver has less than 5 centimeters of snow on the ground for about ten days a year. But because of frequent rains, it melts⁴ quickly.

How many days a year does it snow in Vancouver?

Vancouver has, on average, 10 snowfall days a year.

Things to do in Vancouver in summer

Paddle boarding is one of the best things to do in Vancouver! I find it so relaxing being out on the water on a beautiful sunny day. There are lots of gorgeous places to paddle board in and around Vancouver such as lakes or one of the many beaches surrounding the harbour. My personal favourite spot is in Golden Ears Provincial Park. Beware though!¹ The water in and around Vancouver can be cold!
